

Press Release-10/09/11

ABJJ is pleased announce a new affiliate in Soldotna Alaska. “Soldotna has a hard working group of guys that will fit great with ABBJ’s commitment to a strong work ethic” said ABBJ General Manager Ryder Spadafore. The Soldotna team **Redemption** is run by head instructor **Isaac Kolesar** who been training BJJ/MMA for 8 years. Isaac has spent a lot of time training with ABBJ’s own Ken Pajinag who teaches on the military base. Starting in November Soldotna will be getting a new training facility that features over1500sq/ft and will have brand new mats. **Redemption** will also starting teaching kids on 11/2/11.

The Soldotna team will have full access to ABBJ Anchorage facility at no cost when members are in town. ABBJ will also be sending BJJ black belt instructors to Soldotna for seminars, private lessons, and promotions on a regular basis. We are excited to see the increase in opportunities for students training BJJ/MMA on the Kenai Peninsula.
